PRACTICAL SOLUTIONS ON THE PATH TO PERSONAL WHOLENESS

WHAT IS IT THAT PREVENTS YOU FROM:

- ? Experiencing the fullness of your beauty and letting it shine?
- ? Manifesting your birthright of radiant abundance... at all levels?
- ? Doing daily what you want/need to do to achieve your desired life's goals?
- ? Knowing the lost/hidden parts of you that call to be re-membered and reunited?

THIS IS A RARE OPPORTUNITY FOR A BREAKTHROUGH IN CONSCIOUSNESS!

You will tap into the extraordinary domain and deep inner knowing of your Wholeness! In this state of Unity & Grace you enter into a deep awareness of your Being — *the Illuminated Self*— radiating as a beacon... *This is a major achievement in self-empowerment and assisting a shift in others, by living an expanded life of authentic excellence & congruent wholeness! Destiny calls!!*

EXPERIENCE SUPPORT TOWARD WHOLENESS ON ALL LEVELS OF YOUR BEING — BODY, MIND, ENERGY AND CONSCIOUSNESS ("SPIRIT," SELF, IDENTITY):

- ? Essential oils, including "Howjary" (royal) frankincense oil & products — the highest quality frankincense in the world (*Boswellia sacra*, from the southern, Dhofar region of Oman).
- ? Clearing techniques to rapidly clear DNA and the cell-memory of emotional/physical trauma.
- ? Optional Frankincense/Deep-Seawater Cleanse (a powerful but gentle "tuning") *with the SelfQuesting Approach™* — *release trapped awareness into radiant oneness; ground consciousness, or "Self," into the body/mind to create systemic well being & sensory illumination.*
